PART 03

A Little About Us

Meet The Faculty Behind This Bootcamp Programme.

WHY US? EXPERIENCE & EXPERTISE

At **Unicorn Global Resources**, our staff and management possess industry-wide experience and expertise in ICT, Management and Consultancy. Since our inception in 2008 **Unicorn Global Resources**, we continuously invests in our people, our solutions, and our support process. We guarantee what we do. We have enough confidence in the knowledge and experience of our Staff to provide specific guarantees for all of our services. In everything we do, both in-house and for our clients, we strive for excellence in quality. Anything less than superior quality is unacceptable.

OUR COMMITMENT & COMPETENCE

Our commitment over the years seeks to bridge the divide between what customers want and what they get. In this regards, we always engage in extensive change management to ensure proper integration between technology and people.

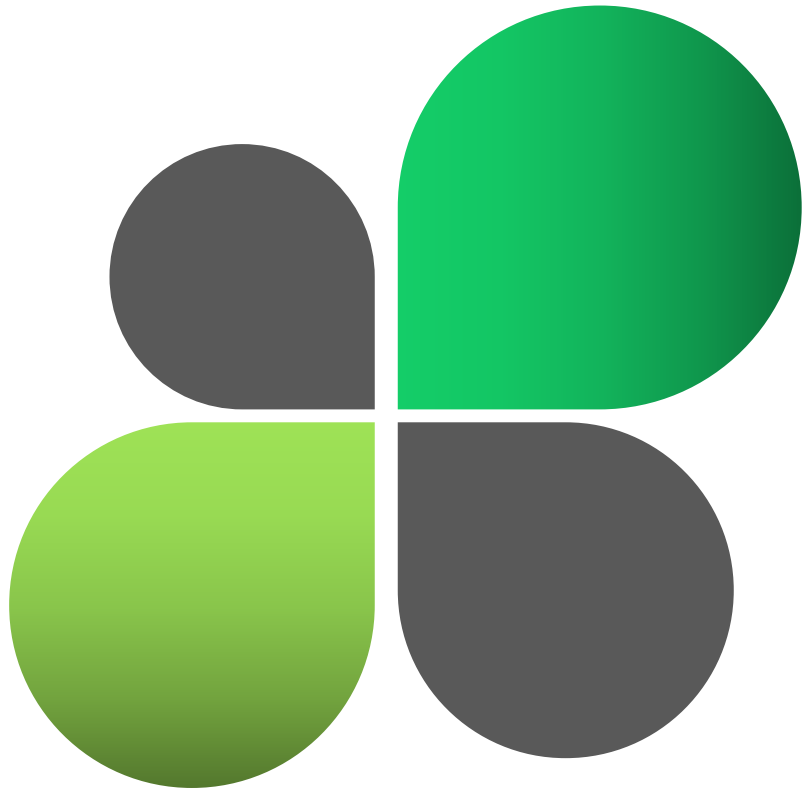

OUR PROJECT TEAM

We have a Project Team that knows their onions, taking into account individual skills, competencies, and immediate availability for the project. The composition of our project team is presented in the following table, while their detailed individual cognate experiences are presented on request.
